<b>Sales Associate – Garden Department</b>	(2009 – 2014)

#### Selected Accomplishments:

- As supervisor, trained and coached new and existing store associates on selling practices, customer relations, machine/equipment operations, processes for optimizing store sales and customer satisfaction, and ran departments with 7 figure annual sales
- Took over a new customer facing management position during an unprecedented increase of customer volume, and implemented a novel curbside program and online order process during a near 1000% increase in online order volume while maintaining the highest and most consistent customer satisfaction metrics in the district
- Increased annual revenue and generated repeat business by analyzing daily numbers and working with the Merchandising team to maximize display strategies that improved overall inventory/merchandise movement
- Chosen as inventory prep team lead two years running (2018 & 2019) and successfully met store shrink goal both years

- Approached and solved problems (scheduling, staff absenteeism, faulty equipment, merchandise/inventory issues, order delivery issues) efficiently, always with the needs of the customer in mind
  - Participated in weekly strategy meetings as well as monthly inventory management and safety meetings to address issues and to ensure process and store protocol were being adhered to daily
  - Wrote and delivered bi-annual performance reviews
-
